Re: Great Lakes Asphalt Site  
Our Client Honeywell Inc.  
Our File No. 7111-061

Dear Mr. Felitti:

Please revise your mailing list to reflect the undersigned as Honeywell's representative in the Great Lakes Asphalt matter. Please do not communicate directly with Honeywell in the future.

This correspondence is in response to your correspondence of September 4, 1991, regarding whether Honeywell Inc., among others, is interested in pursuing a settlement. Honeywell Inc. is interested in pursuing such a settlement, provided that EPA appropriately takes into account the defenses available to the 1983 Consent Decree parties at the Enviro-Chem Site.

Please add Honeywell Inc. to your list of companies interested in pursuing settlement. Your attention to this matter is appreciated.

Sincerely,

POPHAM, HAIK, SCHNOBRICH  
& KAUFMAN, LTD.
